Maher – Thanks. Vivian messaged me that she'd be available for the phone call on the 20<sup>th</sup> if you would like to discuss access issues with her. I will be in Gallup on the 26<sup>th</sup> and Vivian and I can meet with the various stakeholders that week.

Thank you all for your responses.

I will go ahead and set up the call for next Thursday to circle back with Vivian on her progress reaching out to the Ex. 5 Personal Privacy (PP) family and Bertha Spencer of the BIA (the latter was suggested by Lenora Bates of the BIA). We agree that the face-to-face meeting with the BIA, residents and/or property owners will be very beneficial to determining access coordination details and requirements for this project. So please, Steve and Vivian, go ahead and schedule it. We will discuss the action items and objectives of this visit with Vivian during our call next week.

Regards,  
Maher

Steve:

Good morning, I am only available from July 25-27, 2017. Let me know if this works.

Vivian

Mahe – Thanks for your message. Turns out I forgot that I'm on a vacation next week when I initially suggested this Access call.

I'd suggest having the call nonetheless provided that Vivian is available and is key to "connecting the dots" on the various parcels. I can catch up when I return on your strategy. I might add that I'm available to be in Gallup, Haystack and/or Crown Point the week of July 24<sup>th</sup> or July 31<sup>st</sup> for any face-to-face with BIA, residents and/or property owners if that makes sense.

Vivian – is that alright with you?

Let me know what you decide.

**Subject:** Haystack No. 1 AUM Access Coordination Progress Update

All,  
Per Steve's suggestion during our call earlier today, I would like to schedule a conference call for next week to discuss progress on access coordination. How is each one's availability next Thursday (July 20<sup>th</sup>) for this call? How about a time slot similar to today's call (1 pm PT or 2 pm MT)?

Regards,
